A Pay On The Day Class will be run if time permits, along with a Hoopers ring

Dogs can only be entered in four classes (plus Juniors and Pay On the Day if run), except for dogs entering Any Size classes who may enter a maximum of two classes (plus Pay On the Day if run)

Only dogs competing at the show may enter any Pay On the Day class

Classes 32, 33, 67 & 68 are one class, please state which height you want to compete at on your entry form. Heights of 250mm and 350mm will be available

Dogs entered in classes 32, 33, 67 or 68 may not enter any of classes 1 – 31 or 34 - 64 inclusive

***SWAT Special Juniors Jumping (Classes 34 & 35) will each have two sets of awards. Under 9 years old and 9 years old and over up to 16 years on 7th July. Please indicate which age category applies when entering the class. Within each age group, all grades and heights of dogs will be combined. If dogs are entered in any other classes at the show they must run at the same height. All dogs will run the same course and there will be one single opportunity to walk before the class starts.

Please note First Contact equipment and rubber contacts will be used at the show

Lower Height Option. Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two heights with a change part way through to raise/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category. Competitors will be allowed to walk the course set at Small, Medium or Large height without their dog(s) before the class begins. Hurdles may be raised/lowered during the course walking time if multiple heights are offered within the same class.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

AWARDS

Rosettes to 10% of entry in all classes Trophies to 3rd place if 50 or more dogs in a class, Trophies to 2nd place if 30 – 49 dogs entered in a class Trophies to 1st place if less than 30 dogs entered in a class Clear Round Rosettes in all classes to be collected on the day

IF YOU ARE UNABLE TO COLLECT YOUR ROSETTE OR TROPHY IT IS YOUR RESPONSIBILITY TO EITHER ARRANGE FOR A FRIEND TO COLLECT ON YOUR BEHALF OR PROVIDE ENVELOPE/PACKAGING AND POSTAGE FOR THEM TO BE DELIVERED TO YOU BY POST.

CHILDREN UNDER 16

The duty of care remains with the parent(s) or other accompanying responsible adult(s) at all times

In accordance with Kennel Club Rules, ALL dogs competing in small or medium height categories must be measured for competition. Competitors must ensure their dogs are measured prior to their first competition and the dog's agility record book has been signed and dated by the measuring officials

Large dogs entered for competition will not require an official Kennel Club measurement. Once a dog has competed in any class in the large height category at a Kennel Club licenced event it may not change to a different height.

**Record books may be inspected at the request of the Judge or show management.
Please note that we hope to have measuring taking place during the show.**

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship agility, Premier agility, Open agility or Limited agility shows (i.e. special classes and invitational events accepted) Only a first place with a **clear round within the course time set by the judge** will count towards grade progression. Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade. **Progression on points must be done prior to the closing date of entries, it is not possible to change a grade on points once the entries have closed.**

STANDARD CLASSES Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary) For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.

N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.

Grade 3 (Graduate) Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

Grade 4 (Novice) Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.
