***THESE CLASSES WILL OFFER THE LOWER HEIGHT OPTION – WITH THE RESULTS BEING COMBINED**

Lower Height Option. Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in these regulations and must be clearly identified in the schedule. When the Lower Height Option is scheduled a dog may only be entered at either the Full height or at the Lower Height and cannot compete at a different height in any class at that competition. For these purposes a competition shall be defined as all classes covered within the same schedule. Each relevant class will have two heights with a change part way through to higher/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

**ANYSIZE CLASSES 10 & 17: JUMP HEIGHTS WILL BE SET AT 350MM AND 250MM
PLEASE SELECT YOUR HEIGHT WHEN ENTERING**
