A Pay On The Day Class will be run if time permits. Only dogs competing at the show may enter any Pay On The Day class

Dogs can only be entered in a maximum of four classes (plus Pay On The Day if run), except for dogs entering Any Size classes who may enter a maximum of two classes (plus Pay On The Day if run)

Classes 34, 35, 69 & 70 are one class, please state which height you want to compete at on your entry form. Heights of 250mm and 350mm will be available

Dogs entered in classes 34, 35, 69 or 70 may not enter any of classes 1 – 33 or 36 - 68 inclusive

*** SWAT Special Juniors Jumping (Classes 71 & 72) will each have two sets of awards. Under 9 years old and 9 years old and over on 7th July. Please indicate which age category applies when entering the class. Within each age group, all grades and heights of dogs will be combined. If dogs are entered in any other classes at the show they must run at the same height. All dogs will run the same course and there will be one single opportunity to walk before the class starts. Small LHO dogs will jump first and the jumps will be raised progressively up to Large Full Height. The course will be a flowing jumping course aimed at building confidence of junior handlers

Please note First Contact equipment and rubber contacts will be used at the show

Lower Height Option. Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two heights with a change part way through to raise/lower the jump heights and may extend/reduce the length of the long jump and width of the rising spread, within the permitted ranges and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category. Competitors will be allowed to walk the course set at Small, Medium or Large height without their dog(s) before the class begins. Hurdles may be raised/lowered during the course walking time if multiple heights are offered within the same class.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship agility, Premier agility, Open agility or Limited agility shows (i.e. special classes and invitational events accepted) Only a first place with a **clear round within the course time set by the judge** will count towards grade progression. Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of 3 consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows. Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers) A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade. **Progression on points must be done prior to the closing date of entries, it is not possible to change a grade on points once the entries have closed.**

STANDARD CLASSES Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1

Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. Grade 4

Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

Crystal Vision Large Agility Qualifier Rules

Crystal Vision Agility Qualifiers to be held throughout the year with the Final being held at the Adams Agility Show, on Saturday the 17th of August 2019 at the Royal Farm Showground (DE15 9TU). The top three handlers and dogs in each heat will qualify for the Final. If a heat would need to be split into two parts, subject to the number of dogs entered (excluding KC maximums), this would mean a duplicate of prizes, with the first two handlers and dogs in each part going forward.

The course design should be open and flowing.

The prize for the final will be a £ 50.00 Crystal Vision Voucher for the Grade 1-4 winner and a £ 50.00 Crystal Vision Voucher for the Grade 5-7 winner.

Crystal Vision Final –Rules & Regulations

1. Eligibility for the competition under the Kennel Club classification and open to dogs working large height grades 1-4 and 5-7 (separate qualifiers and final). The competition must be judged under the appropriate Kennel Club Rules in force at the time of the event.
2. Competitors entering the competition must be deemed to have agreed to abide by KC Rules and Regulations.
3. Competitors may enter more than one dog in a heat. Each heat is open to all competitors eligible for grades 1-4 and separately 5-7 (no low height option).
4. Competitors may enter further heats for competition, if already qualified, providing they are eligible. Handlers, who gain a place in a heat with a previously qualified dog, must inform the Show Secretary on the date of the show of this fact.
5. The first three places from each heat will go through to the Final, fourth and fifth place being reserves for that heat. In the event of someone qualifying the same dog more than once for the Final, reserves will be taken from the appropriate heat.
6. If a dog has qualified for the 1-4 Final and then later qualifies for the 5-7 Final, the qualification for the 1-4 Final will be void and a reserve dog from that qualifier will be called up.
7. Rosettes will be presented to the top 6 places, trophies to 3rd place.

SWAT SOUTH WEST JUNIOR CHALLENGE

The aim of this competition is to promote agility and encourage Junior Handlers in the South West. The 2019 Final will be held at the SWAT Summer Show on the 3rd of August 2019. The first and second placed handler and dog from each qualifier will be invited to compete at the Final. If a handler and dog partnership has already qualified in either age group, or is unable to attend, the invitation may be given to the next placed pair (provided they have not been eliminated).

All heats and the Final will consist of a Jumping Course for all heights and with all heights (including LHO) competing against each other.

Heats to be held at:

SWAT Sept 2018
Carn Brea Sept 2018

Wraxall 29th and 30th June 2019
Cornwall 7th July 2019
