

TRAINER PROFILE

KIM LAWER

Our club secretary Kim is also responsible now for training our beginner and less experienced dogs.

Kim has been involved in agility for about 15 years and currently has four collies, competed at Kennel club grade 5 and UKA champ level all over the country, and has previously qualified 2 dogs for the UKA finals

With a firm belief that agility should be fun for both dog and handler, Kim only uses very positive methods of training, and understands that every dog / handler team is different.
